

PAM'S SLIDE

UPDATE We had a lot to get up to the lookout this past weekend and knew our packs would be heavy. Kermit made two ½ trips up to the saddle with supplies. Jim Mayfield carried up the bottom of the Osborne and a full pack of supplies. George strapped the board that the Osborne sets on to an empty back pack frame and carried up that and the Osborne ring. I had the weather equipment and other supplies in my back pack with a day pack strapped to my front. I do believe this was our heaviest load (I was sure glad to see the lookout). We left water and bleach at the saddle for Deb and Ked to bring up Sunday. Jim McGowan showed up to give us a hand or should I say a back. Thanks, Jim, for getting the liberty books up almost to the lookout. I have just gotten the date for the grand reopening of Side Mountain Lookout!!!! Mark your calendar for October 4th; the first Saturday in October. More details to come. And, would you believe, we've already had our first fire at Slide! George got video and he will share it with us. Lets see, we were finishing up South Mount Hawkins and a fire broke out and now Slide Lookout. What's with that?

!!!HELP!!! AVA needs our help this year staffing the lookout at the Pomona Fair. We did this a couple of years ago and had a lot of fun. Please contact Mike McIntyre at 626-574-5274 or mmcintyre@fs.fed.us

WHAT'S FOR DESSERT???

(named after his best customer by George Moreno.)

2 cans halved pears
1 box softened cream cheese
1 plastic honey bear container
10 graham crackers

Directions:

1. Whip the package of cream cheese with the honey; the sweetness depends on how you like it.
2. Place the pears in a baking pan.
3. Add a 'dolop' of cream cheese whip into the 'indentation' of the halved pear.
4. Crumble the graham crackers on top of the pears.
5. Bake pears for 20-25 minutes at 350 (more or less).

Next month's feature: Irish eyes & beef balls

Our August super session was highlighted by a great presentation by David Johnson of Altadena Search and Rescue. We would like to thank him for bringing all his equipment and rescuing Pam. Those packs are HEAVY and their members, like us, are volunteers. Mr. Johnson has agreed to do another presentation next season.
